

AGILE SMPO

**CERTIFIED SCRUM MASTER
PRODUCT OWNER IN
PERSON WITH BRAD
JEAVONS.**

**ENHANCE
YOUR
BUSINESS
AGILITY WITH
UP TO 10X
BETTER
RESULTS**

Our world's fastest-moving organisations have recorded growth in capability and results of up to 10 X.

Learn from practices in operational organisations & prepare your workforce for greater autonomy, morale & performance.

WE HAVE DONE OK SO FAR

Enterprises have experienced tough times with COVID, supply chain disruptions, rising costs, overworked and distressed staff, high staff turnover, and lack of capability in the workplace. This has ultimately impacted customers and put pressure on teams exacerbating the situation. We are surviving!

WHAT IS TO COME?

The challenge is the uncertainty we face moving forward. Things are not getting calmer. Like in nature it is the most adaptive, innovative organisations that will survive and thrive.

HOW THIS COURSE WILL HELP

Enhance customer and employee centricity and delight.

Execute projects in a faster, calmer manner.

Develop your continuous improvement and innovation culture.

Become certified with Jeff Sutherland's Agile Education Program.

Work Smarter

Business has experienced tough times with COVID, supply chain disruptions, rising costs, 3% unemployment rate, overworked and distressed staff, high staff turnover, lack of capability in workplace.

Customer is impacted

Customers are ultimately the ones who will influence, through their purchasing power, whether an organisation succeeds or fails. How a customer perceives your business will directly impact your bottom line.

ENHANCE YOUR BUSINESS AGILITY FOR UP TO 10X BETTER RESULTS

Our world's fastest moving organisations, both large and start-up are recording growth in capability and results at up to 10 X.

Learn from practices in operational organisations & prepare your workforce for greater autonomy, moral & balance.

The Enterprise Excellence Academy runs capability training events in person and online, and offers ongoing support with coaching, an online community and the Enterprise Excellence Podcast.
